Headline:
Bright morning becoming cloudier with occasional rain.

Today:
A mainly dry morning with some decent spells of sunshine. While Caithness and northern Sutherland remain dry and bright through the afternoon, cloud increases from the southwest through the afternoon bringing outbreaks of rain. Strengthening southeasterly winds. Maximum temperature 12 deg C (54 deg F).

Tonight:
A few clear spells across Caithness at first this evening, otherwise a cloudy night with outbreaks of occasionally heavy rain. Occasionally strong southeasterly winds. Minimum temperature 4 deg C (39 deg F).

Friday:
A cloudy morning with further outbreaks of rain, however it is expected to become drier from the northwest through the afternoon, with a few brighter spells developing. Winds easing. Maximum temperature 12 deg C (54 deg F).

Outlook for Saturday to Monday:
Good sunny spells in west Saturday but east cloudier with patchy rain. Dry, bright start Sunday but strengthening southerly winds bring cloud and rain later. Dry, bright and breezy Monday.
